Your donations are appreciated and help make it possible  
to bring our parent education events to the community!

**Can I bring my kids?** While we love kids, we've learned from experience this event is very difficult for them to sit through. To assure that we can all focus on the information being presented, please make alternate arrangements for your children (with exception of infants). Childcare is available on-site for children ages 18mo+ for a \$5 fee per child. To ensure proper staffing, **RSVPs for childcare are MANDATORY** and must be received by **noon on October 14**. We regret that we can't make any exceptions (it's a liability thing). Thanks for your understanding!

**Call WPNS for more information or to RSVP for childcare: 310-670-5522**
